Equisign is About Colour, Fun, Quality and Affordable 'Bespoke' Accessories and Horses!

Back in 2005 while hunting for Equine accessories Michaela was not happy with the dull products she was finding so she decided to create a range of colourful, robust, fun and quality equine products of her own.

Since then the www.equisign.co.uk team have been galloping strong and setting the pace producing and supplying some wonderful equine accessories from Michaela's busy Lincolnshire (UK) Studio.

The first thing Michaela did was to take her starting idea of 'Colour' and to create a wonderful colour palette. She then created a Hand Crafted Colourful, Robust and Fun range of [Stable Signs](#) to apply the colours to.

From the [Stable signs](#) the ranges expanded to:

Fun but Simple, Shaker style [Chic Home Signs](#)
'Your Slogan' [Riders Wear](#),
Customisable [Horse Wear](#),
Striking 100% your colourful design [Hat Silks](#)
Fantastic 'Design Your Own' [XC Colours](#) range
then just to round things off, quality and practical [Gifts](#).

Everything supplied by Equisign can be customised with motifs, your name, or embroidered to suit your taste and of course all items are available in Equisigns wonderful colour palette.

You will find us at many country and trade shows, our colourful banner flying high for all to see. As well as selling on-line, we also sell through established equine outlets, please see some of the outlets listed to the left.

Using our site.

We have tried to create a flexible and fun way to create and order your personal / bespoke equine accessories, but if you do experience problems using our site, please just fire off an email and we promise to get back to you as soon as possible.

Our Service.

You might consider that our 'order now email' instead of a rigid non-personal ordering page to be technically a bit old fashioned? Well, when it comes to service, sometimes old fashioned is the right way to go. Also, making selections will complete most of the EMail for you so there is little to type other than your special instructions, so ordering is really simple

Because many of our products are created especially for you we want to make sure that you receive the best product and service available. We consider that an email order allows you to express yourself fully so please feel free to email us, or telephone us if you have the slightest question, or idea! We are here to help.

Thank you to our many returning customers, the hard working Equisign team, 'the family' and all those friends who help Equisign to continue to provide a unique customer friendly service.
