## Simply Chic from Equisign

Delicate colour washes, simple patterns and jolly lettering make our Chic Signs into something personal and cheerful.

Sample Colours

Gone Riding? Fishing? Gardening? Mountain Climbing?! - Let them know by hanging one of our Chic signs on the door.

Our Chic signs can be used just about anywhere - expand our samples to the right to see the subtle beauty of these signs and the many uses they can be put to.

Our Chic signs have a simple bohemian feel about them which we compliment in the signs 'hangings'. These could be an 'arty' shaped wire with a little heart or a bow attached or just a simple rustic cord; you decide what look is right for you.

### How to order

Because our Chic Signs are so individual we do not 'carry' stock items or templates.

So, the best way to progress your enquiry is to [fire off an email to us](#) containing The wording you would like to see  
Your colour(s) suggestion  
and any other ideas you might have.

We will then contact you with some suggestions as to how we might enhance your sign with a pattern choice, your preferred 'hangings' style and so on.

Once we have that information we will get on with crafting your Chic sign.
