Your sign will be finished in the colour combination of your choice.

The colours to the right represent our colour pallette. Variations to these colours are available, so please ask!

Equisign colours are non-toxic, safe and weatherproof.

Equisigns feature raised lettering (lettering is 2.5 inches high - signs are 4.5 inches high) so after a bit of rough treatment the lettering will not 'rub or scratch' off. This means that your sign will continue to look good for years to come. Signs are charged at £3.00 per letter and you are able to select from our pallette of colours.
